American Libraries is the largest-circulation magazine geared toward library professionals and the only one to cover all types of libraries and service areas in a single publication.

Through our award-winning print and digital publications, we offer advertisers direct access to library buyers—more than any other professional library media outlet.

We take seriously our mission as the voice of the profession and the flagship publication of the American Library Association (ALA) and its 58,000 members. As ALA’s most-used member benefit, American Libraries supports librarians and library workers with fresh, innovative offerings through robust combinations of print and digital content delivery.

By placing ads with American Libraries, you help librarians and library workers, too. Every advertising dollar spent with us directly supports ALA and the profession—and is an investment toward the future success of libraries.

Copy and Contract Regulations
All advertising is subject to the publisher’s approval. The publisher reserves the right to refuse advertising. Advertisers and advertising agencies assume liability for all printed advertising content (text and illustrations) and also assume responsibility for any claims against the publisher resulting from that content. Cancellations are not accepted after the closing dates for space reservations. Covers and special positions are noncancelable.

Commissions
Agency commission is 15% of gross for recognized agencies. Manufacturing charges are noncommissionable. There is no cash discount.

Frequency and Combined Rates
To qualify for frequency rates, contracts are required. Qualification is based on insertions over a 12-month period. Advertisers owned by the same parent company may combine their insertions to earn frequency rates; a master contract is required. Frequency rates can be earned by any combination of insertions in American Libraries publications. Special rates may also be earned for the same ad running in a combination of these products.

Payment
First-time advertisers or agencies are required to pay at the time of the initial order. Other accounts are payable within 30 days of the invoice. Non-US advertisers are required to pay in US currency at the time of each order. Advertisers and agencies share dual liability for payment. Contrary agreements between advertisers and agencies, even if listed on insertion orders, are superseded by this condition of the American Library Association.

Lead Generation
Relevant customer data is provided for one-time follow-up only. Data contained in ad statistic reports is provided within the terms of ALA’s privacy policy.

Sending Materials
Identify material by name of advertiser, publication, and scheduled issue. Send contracts, insertion orders, materials, and correspondence to: americanlibrariesadvertising@ala.org or American Libraries, 225 N. Michigan Ave., Suite 1300, Chicago, IL 60601. Phone: 847-367-7120. Fax: 332-337-6787.
